

National Council for Science and Technology of the United Mexican States (CONACYT)

On June 27th, 2016, McGill signed an agreement with the National Council for Science and Technology of the United Mexican States (CONACYT) to co-sponsor Mexican students enrolled in a Master's Research or PhD program at McGill. The Agreement aims at attracting top Mexican students to pursue graduate studies at McGill.

As of Fall 2017, **new sponsorship recipients will receive the following funding from CONACYT annually:**

- McGill tuition at the Quebec Resident rate
- Program/ancillary fees
- Health insurance
- Annual living expenses (paid directly to the student each month)

McGill (department/supervisor), in turn, must cover the tuition differential between the International and the Quebec Resident rate (International supplements).

Funding is provided for a maximum period of two (2) years for Master's students, and four (4) years for PhD students.

To be eligible, candidates must be a citizen of Mexico, and be registered in a Master's Research or PhD program at McGill or have applied and received an Offer of Admission from McGill for Fall 2017. Candidates must apply directly to [CONACYT](#).
