

**HUMAN GENETICS
GRADUATE & POST-
DOCTORAL RESEARCH DAY
May 18th, 2017**

**CALL FOR ABSTRACT
SUBMISSIONS**

Length: Maximum 300 words.

Deadline: April 07th, 2017

A confirmation e-mail will follow within 24 hours of receipt of your abstract. If you do not receive an e-mail confirmation, please contact ross.mackay@mcgill.ca.

Presentations: Please indicate whether you would like to give a:

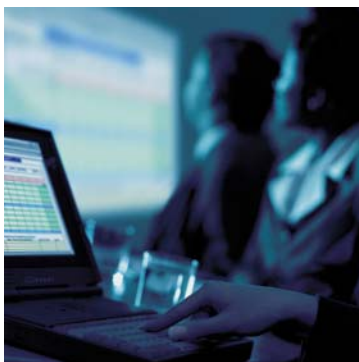

- Oral Presentation (12 min talk) – *M.Sc. Seminar Equivalent*
- Oral Presentation (3 min talk + 1 slide) & Poster Presentation
- Poster Presentation ONLY

Everyone will be able to present their research, but we will only have room for 10-12 talks, which will be chosen from the abstracts. You will be informed by **late-April** as to whether your abstract has been accepted for an oral presentation. All oral presentation submissions will automatically be granted a slot for a poster presentation, should they not be selected.

Abstract Specifications: The abstract should include a Title, Authors (Presenter underlined), Department and/or Hospital Affiliation, Degree program and level (e.g. Ph.D. 3), and Name of Supervisor.

Also, please list 3 keywords/phrases that best describe the content of your abstract.

Abstracts should be submitted as email attachments in MS Word to ross.mackay@mcgill.ca

ALL PRESENTATIONS

will be judged

&

prizes will be awarded
