MEDICAL GENETICS ACADEMIC HALF DAY
April 13, 2018, MUHC Glen Site, Genetics A4 Clinic Area

Due to the American College of Medical Geneticists’ conference in Charlotte NC this week, the usual sessions are cancelled. However, the following activity has been arranged for the Genetics residents.

9:00 – 12:00  Resident Teaching – OSCE Bootcamp
Organized by Laura Russell, MD, FACMG
Medical Geneticist, MUHC
Associate Professor and Director, McGill Medical Genetics Residency Program

The Medical Genetics Academic Half Day is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada.

Do not hesitate to contact me should you have any questions.
