

Funding Opportunity for Clinician Scientists **Deadline for submission: July 28, 2017**

This Fellowship is open to all Residents

Richard and Edith Strauss Clinical Fellowships in Medicine

Established in 2010 by Richard and Edith Strauss Canada Foundation to fund fellowships for Residents. Awarded by the Post Graduate Awards Committee of the Faculty of Medicine upon recommendation from the Research and Graduate Studies Office and the Office of Postgraduate Medical Education & Professional Affairs for outstanding Residents, as defined by McGill University.

Value: \$40,000 stipend for the Recipient.

Funding start date: September 01, 2017, at the earliest.

Please submit the following documents by **July 28th, 2017** at 4:00pm to Nishat Shabnam at gradstudies.med@mcgill.ca

- 6 page proposal (double-spaced, excluding references) – include background, rationale/hypothesis, experimental aims and methodology
- Supervisor CV (3 page max)
- Candidate CV (3 page max)
- Research summary including the research title (half a page), and McGill ID
- A letter from the Chair detailing the qualifications of the candidate and the lack of alternative funding
- Evidence of outside application for funding

The Recipient will be chosen by a Faculty of Medicine Committee chaired by Dr. Elaine C. Davis (Associate Dean, Biomedical BSc, Graduate and Postdoctoral Affairs).

The Recipient will be informed by mid-August.

If you need any further information please contact Ms. Nishat Shabnam at gradstudies.med@mcgill.ca.
