

GPS – Graduate & Postdoctoral Studies

## GRADUATE FUNDING

2018 L'Oréal Canada For Women /  
Bourses d'Excellence L'Oréal Canada Pour  
les Femmes

- Fellowships offered to female post-doctoral researchers in the field of Life Sciences and Engineering/Pure and Applied Sciences
- **Deadline: March 23, 2018**

L'Oréal Canada, with the support of the Canadian Commission for UNESCO, has announced the For Women in Science Research Excellence Fellowships which offer two (2) fellowships of \$20,000 CAD each to female post-doctoral researchers in the field of Life Sciences and Engineering/Pure and Applied Sciences. This fellowship is part of the **For Women in Science Program** which recognizes the importance of contributions of women in the progress of science. Applications will be reviewed by a panel of scientists, including representatives from the Canadian Commission for UNESCO and L'Oréal Canada. Candidates must conduct their research at a Canadian host institution or organization.

**Value:** \$20,000 CAD each

Postmarked application packages must be sent to Universities Canada on or before **March 23, 2018**.
