## GRADUATE FUNDING

Graduate Mobility Award 2017-18

- Call for applications – please inform your students
- Mobility opportunity for graduate students participating in an international research collaboration
- **Amendments to application process**

Graduate and Postdoctoral Studies (GPS) is accepting applications for the 2017-18 Graduate Mobility Award. This award encourages graduate students to study and conduct research abroad as part of their McGill degree program. Students will be awarded the Graduate Mobility Award based on **academic unit and Faculty approval**.

### Eligibility

The student must:

- Be enrolled in a graduate degree program at McGill.
- Be registered as a full-time thesis student at the time of travel.
- Have completed one full-time term at the time of application.
- Be in good academic standing.
- Have held an advisory/supervisory committee meeting within 10 months of the departure date.
- Be approved by his/her academic unit and Faculty to take part in a mobility opportunity.
- Be proposing to travel between September 1, 2017 and August 31, 2018.
- Be participating in one or more of the following mobility activities, depending on the Faculty/academic unit:
  - Research stay at a lab abroad
  - Participation in a formal bilateral exchange/research partnership abroad
  - Field work abroad
- Once the Mobility Award application is submitted and approved by the academic unit, the unit must create a Travel Registry Form. Students must complete their form before submitting the application to Graduate & Postdoctoral Studies (GPS).
- **Conference travel is NOT eligible**

### Value of Award

Award values depend on where the mobility activity takes place, its duration and the availability of funding at the time of application.

### How to Apply

1. Complete the Graduate Mobility Award Application Form
2. Obtain approval from your academic unit and Faculty
3. Complete the Travel Registry Form (must first be created by the academic unit administrator)
4. Submit a completed online Application Form

5. Submit supporting documents, including:

- One letter of support from McGill supervisor detailing significance of the research activity, location, collaborator(s) (if applicable), and any matching funding
- CV of the applicant
- PrintScreen of the accepted Travel Registry Form (must include status of the form, and travel information as presented on second page)

Upon completion of the travel abroad, students will be requested to complete a short online survey.
