

## MEDICAL GENETICS ACADEMIC HALF DAY

December 8, 2017

MUHC Glen Site

**Room B S1.2525** [Please note room change – see map attached.]

[Session will be videoconferenced to the Jewish General Hospital only upon request.]

### **9:00 am – 1:00 pm Special Session**

Organized by Natascia Anastasio, MD, MSc

PGY4 in Medical Genetics

*Dysmorphology Bootcamp!*

#### Learning objectives:

At the end of this session, participants will be able to:

1. Identify and define the terminology used to describe physical features
2. Use proper terminology to describe patients with dysmorphic features
3. Identify various genetic syndromes based on dysmorphic features

#### *Potluck for nourishment throughout the morning:*

*Trainees, please remember to sign up to bring something edible or drinkable to sustain us as we learn! Click on the Doodle poll below.*
