

Medical Geneticist/Clinical Locum

Alberta Health Services (AHS) invites applicants to apply for a clinical locum position with AHS Child Health (Division of Clinical Genetics) in collaboration with the Department of Medical Genetics at the University of Alberta.

This is a position to provide clinical service in the areas of general genetics, prenatal genetics, and may involve cancer genetics. Clinical teaching of residents would be expected, as it relates to clinical care. The position is available immediately with the term ending March 2019.

Interested applicants must hold an MD and have completed residency in Medical Genetics or related disciplines; he/she should be certified or eligible to become a fellow of the Royal College of Physicians and Surgeons of Canada, or the Canadian College of Medical Genetics. See the Royal College of Physicians and Surgeons of Canada for more information <http://www.royalcollege.ca/rcsite/home-e>. The successful candidate must be eligible for licensure with the College of Physicians and Surgeons of Alberta (CPSA).

Remuneration for this position will be commensurate with qualifications and experience and will be based on the income scale of a competitive and highly successful academic alternate funding plan.

Interested applicants are invited to submit their curriculum vitae along with the names of three references to:

Dr. Oksana Suchowersky
Director, Clinical Genetics

8-39 Medical Sciences Building, University of Alberta, Edmonton, Alberta T6G 2H7 Fax:
(780) 492-1998

E-mail: Oksana.suchowersky@albertahealthservices.ca

The competition will remain open until the position is filled.

Department information is available on www.medgen.ualberta.ca Details about the University of Alberta and the Faculty of Medicine and Dentistry can be found on the Faculty's homepage at www.med.ualberta.ca. More about AHS and the City of Edmonton can be found at www.albertahealthservices.ca and www.edmonton.ca

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

The University of Alberta and Alberta Health Services hire on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified women and men, including persons with disabilities, members of visible minorities, and Aboriginal persons. We thank all applicants for their interest; however, only those individuals selected for an interview will be contacted.
