

Clinical Geneticist

CLINICAL ACADEMIC POSITION - CLINICAL GENETICIST **Department of Paediatrics, Western University, Schulich School of Medicine & Dentistry**

The Department of Paediatrics, Children's Hospital, London Health Sciences Centre and Schulich School of Medicine & Dentistry, Western University, is seeking a fully certified Clinical Geneticist. The Medical Genetics Program of Southwestern Ontario is a comprehensive clinic, providing genetic assessments and counselling in general pediatric and adult, prenatal, metabolics, newborn screening, and cancer genetics, with outreach clinic in Windsor, Ontario. Medical geneticists also interact within multidisciplinary teams dedicated to specific genetic disorders, such as cystic fibrosis, cardiac arrhythmias, neurofibromatosis, neurometabolics, and Rett syndrome. The Medical Genetics Program serves the southwestern Ontario population of about 1.5 million, and works closely with the Maternal-Fetal Medicine and the Oncology programs of London Health Sciences Centre. The program is supported by full biochemical, molecular, cytogenetics, and maternal serum screening laboratory services. We are a Centre of Excellence for enzyme replacement therapy for inborn errors of metabolism.

Western University delivers an academic experience second to none. Western challenges the best and brightest faculty, staff and students to commit to the highest global standards. Our research excellence expands knowledge and drives discovery with real-world application. Western attracts individuals with a broad worldview, seeking to study, influence and lead in the international community. Since 1878, The Western Experience has combined academic excellence with life-long opportunities for intellectual, social and cultural growth in order to better serve our communities. Western is a research-intensive institution with a wide range of academic and professional programs (see <http://www.uwo.ca/> to learn more). Western's Recruitment and Retention Office is available to assist in the transition of successful applicants and their families.
