

Good morning,

You are invited to join the following Zoom Jewish General Hospital Medical Grand Rounds today, November 2, 2020 at 12:55 PM:

PULMONARY GENETICS: MOVING FROM THE LAB TO THE CLINIC

Benjamin Raby, MD, MPH

Leila and Irving Perlmutter Professor of Pediatrics, Harvard Medical School
Chief, Division of Pulmonary Medicine, Boston Children's Hospital
Director, Pulmonary Genetics Center, Brigham and Women's Hospital

Educational Objectives:

1. Learn how genetics influence a variety of common and less common respiratory diseases
2. To understand how genetic information is currently being used for the evaluation and management of patients with a wide range of respiratory diseases
3. To understand how genetic information can play a role in disease detection and early intervention in asymptomatic at-risk relatives of patients with respiratory disease

Contact Person: Carmela Pepe, MD, Division of Pulmonary Medicine, Tel. 514-340-8222 ext. 23636.
