lessons two years down the road*

It has been two years since Quebec's National  
Assembly passed Bill 52, "An Act Respecting End-  
of-Life Care", legalizing medical aid in dying (MAID)  
in the province. In this symposium, three experts will  
discuss Bill 52's implementation and lessons that  
may be learned from real cases from the province  
and abroad.
