Tuesday, May 22, 7:00 p.m. - 9:00 p.m.

McGill Programs in Whole Person Care Film Series

The Gardener (2016)

The film reflects on the meaning of gardening and its impact on our lives. Shortly before his passing at the age of 86, influential gardener and horticulturalist Frank Cabot recounts his personal quest for perfection at *Les Quatre Vents*, his twenty-acre English style garden and summer estate that was opened to a film crew for the first time ever.

The screening will be followed by a panel discussion with **Sébastien Chabot**, Producer and Director of the documentary, and moderated by **Dr. Tom Hutchinson**.
